Emmitt Recommended me to the Police karma program in partnership with Alexis Coates who was stalking me from his employer/contractor-Education department. My ex-employer CCBC- Maryland

Both gentlemen have similar interest and ~~affiliations~~ with Free Masonry. I being a Christian, is one reason for my orchestrated downfall. P.22

Abuse of Power / misuse of resources

- I am certainly not delusional. Consider the evidence which shows I cannot make this stuff up.

Alexis Coates, being an IT Educator / Professional and well connected has hacked plenty of my technology utilizing the Department of Education Resources. P.22 is an AT&T Account with "Halo Success" in the BROWSER .
